Mr. Baldwin
Washell Inst.
Lawrence, Kans.

Dear Sir:

About two weeks ago Mr. Meyer informed me that the Commercial department was full but there were some applicants yet in consideration and if there were vacancies it would be possible that I be a lucky person to fill the vacancies.

But since the month, weeks, and days are now nearing the school term to open I am getting restless, with hope that some consideration would bring ^{me} to Washell to take up the vacation I have always wanted to fulfill.

If I could not reach Washell which is the only place I could

afford to study, than my high-
school years were than almost
wasted in trying to - take up
the only course I have wanted
all my life.

This letter and you Mr.
Baldwin is my only hope
and please let me know
at the earliest date possible
and I hope it will be
"you are accepted."

Very sincerely
Lucy Friedlander
