Haskell Institute,  
Lawrence, Kansas,  
March 11, 1931.

Mrs. Almeria Friedlander,

Hesperian, Wash.

Dear Madam:

This is to advise that your daughter, Lucy, had  
her tonsils removed yesterday and is doing very well.  
Unless some unfavorable conditions arise, which we do  
not anticipate, we will not write you again.

Very truly yours,

H. B. Peairs,  
Superintendent.
