Mr. C. M. Blair,

Superintendent, The Haskell Institute.

My dear Mr. Blair:

For your consideration there is being mailed to you with this letter the formal application for the enrollment of Lucy M. Friedlander.

This young woman has made a fine record in the local public school and will make you a desirable pupil if room can be found for her.

As Lucy and her mother seek seasonal employment in the Yakima Valley of this state each summer and fall it is desired that transportation be made available for her at Ellensburg in this state, which is a point on the main line of the Chicago, Milwaukee, St. Paul and Pacific.

Very truly yours,

*Harvey K. Meyer*  
Superintendent.
